

Welcome to the Junior Primary Class!

This year, our class consists of 6 Receptions, 6 Year ones and 6 Year twos making a total of 18 students starting the school year in 2017.

Class Routines

Before school: It is the student's responsibility to unpack their bags, swap their readers, put their lunches in the fridge and place any notes for the teacher in the basket located on my desk. Parents may also wish to read with their child and practise sight words before school starts.

Crunch and Sip (Healthy Snack): At 10:00 am the children stop to snack on **fresh fruit or vegetables**. Children are encouraged to 'sip' plenty of water throughout the day, with drink bottles kept on their desks.

Library Day: Is Friday. The children can return their books during the week to the tub in the classroom and we will take the tub to the library on Friday.

Homework: the children are expected to read or be read to each night at home. There is also a homework pack, which includes letter formation practice, letter sound recognition cards, sight words and number recognition cards. Children in years 1 and 2 may also have a list of spelling words to practise.

A Typical Day...

8:55	Bell rings, children come to the floor
9:00	Fitness
9:15	Roll call. Parents are asked to leave by 9:15
9:20	Maths Block starts
10:00	Crunch and Sip
10:10	Spelling Groups
10:35	Writing
10:55	Recess
11:15	Reading Groups
12:15	Scheduled subjects

From 12:15 onwards, we complete a range of scheduled tasks for Art, Science, HASS (Geography and History), Health and PE, Technologies, etc.

Scheduled Subjects

Throughout the week, we have dedicated times for Science, HASS and The Arts. In addition to this, Christine Vine takes the children for Health and PE on Tuesdays. Shawnee Mepham takes the children for Japanese twice a week on Thursdays and Fridays and for Digital Technologies on Thursdays.

Behaviour and Rewards

To emphasise the importance of our values and class rules, we have a number of incentives which reward positive behaviour.

Behaviour Chart and Owl Pop Sticks: All students begin the day on 'Ready to Learn' in the middle of the line. They can move up the line (towards 'Super Student') or down the line (towards 'Parent Contact') throughout the day. Any students who remain on 'Ready to Learn' or higher, receive a pop stick for their *Owl's Bag* at the end of the day. When a child has 10 sticks, they can choose a prize.

Student of the Week: Students who display a particular character strength may be picked to be 'student of the week' at Monday's assembly. This student has the honour of being the helper for the class that week. They are in charge of calling the roll in the morning, completing errands, leading the line when we are moving through the school.

Kimochis

Kimochis (KEE-MOH-CHEES) is a new programme used in class to teach emotional regulation and communication skills. These skills are introduced through the characters Bug, Lovey Dove, Cloud, Cat and Hugtopus. The children have 3 short Kimochis lessons after lunch each week.
