Core Beliefs

At Sandy Creek Primary School we aim to provide an education for children from Reception to Year 7 which focuses on providing children with their primary education. This prepares them for secondary education and for lifelong learning and responsible participation in the wider community throughout their lives.

- We believe that students need to attend school regularly in order to participate fully, gain maximum benefit from their schooling and reach their potential.
- We monitor school attendance in order to identify students at risk.
- We believe that the early detection and assessment of the causes of school non-attendance and the provision of organisational structures to support improved attendance are vital.

A child who is at least six years old but not yet sixteen is of compulsory school age, irrespective of distance from the school. A child of compulsory school age is required to be enrolled at a registered government or non-government school and must attend the school on every day instruction is provided at the school for the child, unless the minister has granted an exemption from school attendance. Children under six years of age and not under compulsion are required to attend school for the entire day school is open for instruction, once enrolled.

The primary responsibility for meeting this legal requirement rests with the parent/guardian. The responsibility for enforcing school attendance is with the Department of Education and Child Development (DECD). The department therefore has a legal responsibility to record and monitor attendance and take appropriate action to rectify problems of non-attendance.

All members of the school community are expected to meet the requirements of attendance and work to the best of their ability and skill as consistently as possible. Student attendance is everyone's business.

Parent Responsibilities

- Parents / caregivers are responsible for getting their children to and from school.
- Children must arrive between 8.40 and 8.55 am.
- When a student is late for school they must report to the front office and register their arrival.
- The Parent/ caregiver should provide an explanation for a student's late arrival.
- Parents wishing to collect students for an early departure must also report to the front office with an explanation and sign their children out. Should they return the children to school after some time out, e.g. a dentist's visit; the students need to be signed back in to the school at the front office.
- Children must attend school on every day when instruction is offered unless the school receives a valid reason for being absent.
- Parents/caregivers must provide the school with an appropriate explanation for the student's non- attendance. This can be done via phone call, verbally to the teacher, by student diary note or by letter.
- Parents/caregivers must let the school know if an extended absence is likely from school and for what reason.
- Parents/caregivers must apply to the Principal for exemption from school if an absence of between 4 days and 1 month that is not due to illness will occur and to the Minister if required for more than a month.
